**Gini Gentry** teaches from the unity of truth found in all mystery traditions. She is committed to revealing the boundless love, honest reflection and outrageous joy that is our Divine birthright. As the former teaching partner of **don Miguel Ruiz**, author of **The Four Agreements®**, Gini is also the author of **Dreaming Down Heaven** and founder of the Garden of the Goddess Retreat Center located near Santa Fe, NM. She has led sacred journeys to Teotihuacan for 17 years and is a principal in a documentary on Teotihuacan- **Dreaming Heaven** scheduled for release this winter.

## The Four-Fold Path To Power

The Toltecs inspired a legacy at Teotihuacan for all humanity. On this transformational journey into the wisdom preserved in this sacred city of pyramids, we will reclaim our birthright as great, mighty and powerful spiritual beings. The site is a living edifice that can assist us in resolving our fear and becoming more of who we are. Using the magic of **THE FOUR-FOLD PATH TO POWER Love, Choice, Belief and Prayer** we can conquer doubt. Our great guide through Teotihuacan is the Angel of Death. Through powerful experiential processes, we illuminate those places in our minds where false beliefs limit our happiness, peace and delight. Reborn with expanded awareness, we learn to consciously chose love over fear, awaken to the truth of who we are, and to realize the natural heritage of our greater potential ~ the innate magnificence of our authentic self. If you are prepared, we'd be delighted to have you join us.
